

## Mat Goebel, MD, MAS

Emergency Medicine

---

### Education

|                                                                                          |      |
|------------------------------------------------------------------------------------------|------|
| Certificate, Clinical and Translational Science, Tufts University, Boston, MA            | 2023 |
| MD, University of California San Diego, La Jolla, CA                                     | 2019 |
| MAS, Clinical Research, University of California San Diego, La Jolla, CA                 | 2018 |
| Certificate, Paramedicine ( <i>Valedictorian</i> ), Utah Valley University, Orem, UT     | 2011 |
| BA, Theatre Arts Studies ( <i>Magna Cum Laude</i> ), Brigham Young University, Provo, UT | 2010 |

### Postdoctoral Training

|                                                                            |                   |
|----------------------------------------------------------------------------|-------------------|
| Emergency Medical Services Fellow, UMass Chan - Baystate, Springfield, MA  | 07/2023 - 06/2024 |
| Emergency Medicine Research Fellow, UMass Chan - Baystate, Springfield, MA | 07/2022 - 06/2023 |
| Emergency Medicine Resident, UMass Chan - Baystate, Springfield, MA        | 07/2019 - 06/2022 |

### Academic Appointments

|                                                                                                 |                   |
|-------------------------------------------------------------------------------------------------|-------------------|
| Clinical Instructor<br>Department of Emergency Medicine, UMass Chan – Baystate, Springfield, MA | 07/2022 - Present |
|-------------------------------------------------------------------------------------------------|-------------------|

### Other Positions and Employment

|                                                                                                       |           |
|-------------------------------------------------------------------------------------------------------|-----------|
| Production Assistant, EM:RAP, Woodland Hills, CA                                                      | 2017-2018 |
| Volunteer Paramedic, Sandy City Fire Department, Sandy, UT                                            | 2012-2014 |
| Freelance Audio Engineer / RF Coordinator, San Diego, CA                                              | 2010-2016 |
| Chief Sound Engineer, Google, Mountain View, CA                                                       | 2009-2009 |
| Sound Technician, Brigham Young University Office of IT, Provo, UT                                    | 2007-2010 |
| Referral Sound Engineer, International Alliance of Theatrical Stagecraft Employees, San Francisco, CA | 2004-2009 |
| Sound Engineer Supervisor, Paramount's Great America, Santa Clara, CA                                 | 2004-2005 |
| Show Control Programmer, Nickelodeon Recreation, Orlando, FL                                          | 2004      |
| Sound Engineer, Paramount's Great America, Santa Clara, CA                                            | 2003-2004 |
| Shop Technician, Group3 Enterprises, Fremont, CA                                                      | 1999-2000 |

### Honors and Awards

|                                                                                   |           |
|-----------------------------------------------------------------------------------|-----------|
| Sage Award Nomination (UMass Chan - Baystate)                                     | 2024      |
| Emmy for Special Event Coverage (National Academy of Television Arts and Science) | 2011      |
| Academic Merit Scholar (Utah Valley University)                                   | 2010-2011 |
| Karl G Maeser Scholar (Brigham Young University)                                  | 2010      |
| Scholarship (International Communication Industries Foundation)                   | 2007-2010 |
| Merit Scholar (Brigham Young University)                                          | 2007-2009 |
| Edwin S. Hinckley Scholar (Brigham Young University)                              | 2008      |

|                                      |      |
|--------------------------------------|------|
| Member (Phi Kappa Phi Honor Society) | 2008 |
| Member (Golden Key Honor Society)    | 2008 |
| Eagle Scout (Boy Scouts America)     | 2002 |

## **Educational Activities**

### **Educational Leadership, Administration and Service**

|                                                                     |           |
|---------------------------------------------------------------------|-----------|
| Core Curriculum Committee (Member), UC San Diego School of Medicine | 2015-2019 |
|---------------------------------------------------------------------|-----------|

### **Teaching Activities in Programs and Courses**

|                                                                                 |           |
|---------------------------------------------------------------------------------|-----------|
| EMT Program Lecturer and Lab Instructor, National University, San Diego, CA     | 2017-2019 |
| Anatomy Lab Teaching Assistant, UCSD School of Medicine, San Diego, CA          | 2017-2019 |
| Paramedic Program Lecturer and Lab Instructor, Utah Valley University, Orem, UT | 2012-2014 |
| Part-time Lecturer, Brigham Young University Department of Theatre, Provo, UT   | 2008-2010 |

### **Advising and Mentoring**

#### **Residents**

|                                                                |             |
|----------------------------------------------------------------|-------------|
| Colton Conrad, Emergency Medicine                              | 2023 - 2024 |
| Resident, UMass Chan - Baystate, Career / Residency Advising   |             |
| Joseph Stevens, Emergency Medicine                             | 2020 - 2023 |
| Resident, UMass Chan - Baystate, Career/Residency Advising     |             |
| Dean Cataldo, Emergency Medicine                               | 2021 - 2024 |
| Resident, UMass Chan - Baystate, Career/Residency Advising     |             |
| Stephanie Ayala, Emergency Medicine                            | 2021 - 2023 |
| Resident, UMass Chan - Baystate, Research Case Report Advising |             |
| Laura Director, Emergency Medicine                             | 2021 - 2024 |
| Resident, UMass Chan - Baystate, Research Case Report Advising |             |

## **Investigation**

### **Grants**

#### **Completed**

| Agency Grant Number   Principal Investigator (PI)<br>Title<br>Description (1 sentence)<br>Total, direct & indirect costs<br>Role: (% effort)                   | Years     |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| 5 TL1 TR 2546-5<br>Tufts University TL-1<br>"A novel algorithm to improve the prehospital diagnosis of STEMI"<br>\$78,858, (direct \$73,202, indirect \$5,656) | 2022-2023 |
| UC San Diego School of Medicine<br>"TL-1 grant for Masters of Advanced Studies"<br>Covered coursework tuition and living stipend                               | 2018-2019 |

|                                                                                                                                                                             |           |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| Intermountain Research Medical Foundation<br>"A model for predicting emergency physician opinion of electrocardiogram tracing data quality."<br>Statistical support. \$500. | 2012-2013 |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|

**Current Unfunded Projects**

|                                                                                                         |              |
|---------------------------------------------------------------------------------------------------------|--------------|
| The pharmacology of prehospital rapid sequence intubation and risk factors for awareness with paralysis | 2023-Present |
|---------------------------------------------------------------------------------------------------------|--------------|

**Health Care Delivery****Leadership Positions**

|                                                                               |           |
|-------------------------------------------------------------------------------|-----------|
| Ultrasound Service Manager<br>UCSD Student Run Free Clinic, Pacific Beach, CA | 2018-2019 |
| Cardiology Service Manager<br>UCSD Student Run Free Clinic, Pacific Beach, CA | 2014-2016 |

**Certification and Licensure**

|                                                                                     |              |
|-------------------------------------------------------------------------------------|--------------|
| Diplomate, American Board of Emergency Medicine                                     | 2025-Present |
| Physician, Connecticut Department of Public Health                                  | 2025-Present |
| Physician, Massachusetts Board of Registration in Medicine                          | 2021-Present |
| Nationally Registered Paramedic, National Registry of Emergency Medical Technicians | 2011-Present |

**Clinical Activities**

|                                                                                                   |              |
|---------------------------------------------------------------------------------------------------|--------------|
| EMS Medical Director, Mercy Medical Center, Springfield, MA                                       | 2025-Present |
| Medical Director, EMT Academy, Chicopee, MA                                                       | 2025-Present |
| Medical Director, Paramedic Program, Westfield State University, Westfield, MA                    | 2024-Present |
| Medical Director, Paramedic Coach LLC, Wesley Chapel, FL                                          | 2024-Present |
| Assistant Director, EMS Program and Clinical Response Team, Mercy Medical Center, Springfield, MA | 2024-2025    |
| Per Diem Physician, Baystate Medical Physician, Springfield, MA                                   | 2024-Present |
| Per Diem Physician, Springfield Hockey Club, Springfield, MA                                      | 2023-Present |
| EKG Technician, Intermountain Healthcare, Murray, UT                                              | 2010-2014    |
| Medical Technician, Boy Scouts of America, Fort AP Hill, VA                                       | 2010         |
| Emergency Medical Technician, Brigham Young University EMS, Provo, UT                             | 2009-2010    |
| Camp Medic, Boy Scouts of America, Willits, CA                                                    | 2008-2011    |

**Clinical Innovations, Safety, and Quality Improvement Projects**

|                                                                       |           |
|-----------------------------------------------------------------------|-----------|
| Study of factors affecting door-to-EKG times, Baystate Medical Center | 2021-2023 |
| Implementation of High-Sensitivity Troponin, Baystate Medical Center  | 2020-2023 |

## Other Presentations, Posters & Abstracts

### International

**Goebel M**, Bledsoe J. Push notifications reduce Emergency Department response times to pre-hospital ST-segment myocardial infarction. Social Media and Critical Care Conference. Berlin, Germany. Poster Presentation. June 2017

### National

M Rosenberg, **M Goebel**, M Laporte, C Carpenter, R Clark, S Kelly, Y Carey, E Kelly, T Kamine. Tele-mentorship Versus In-person Mentorship for Trainee Procedural Coaching of Cricothyroidotomy. American College of Surgeons Surgeons and Engineers Meeting. Chicago, IL. Poster Presentation. March 2025

J Tolles, **Goebel M**, N Johnson, N Bosson. Survival from Out-of-Hospital Cardiac Arrest After Regional Implementation of eCPR. National Association of EMS Physicians (NAEMSP) Scientific Assembly. San Diego, CA. Poster Presentation. January 2025

**Goebel M**, Conrad C, Knowles K, Walsh B. Directed Observation Does Not Reduce Mental Demand During Simulated Pediatric Resuscitation. National Association of EMS Physicians (NAEMSP) Scientific Assembly. San Diego, CA. Poster Presentation. January 2025

**Goebel M**, Lolley RJ, Reed L, Ratcliff T, Jarvis, J. Intraosseous Access Location Does Not Change Rates of Return of Spontaneous Circulation in Pre-hospital Cardiac Arrest. National Association of EMS Physicians (NAEMSP) Scientific Assembly. Tampa, FL. Poster Presentation. January 2023

Farah J, **Goebel M**, Pierce J, Donofrio JJ. Epidemiology of 911 Calls at the San Diego Border Crossing. Fire-Rescue Med Conference. Henderson, NV. Poster Presentation. April 2019

Farah J, **Goebel M**, Pierce J, Donofrio JJ. Epidemiology of 911 Calls at the San Diego Border Crossing. National Association of EMS Physicians (NAEMSP) Scientific Assembly. Austin, TX. Poster Presentation. (Prehospital Emerg Care. September 2018:1-251) January 2019

**Goebel M**, Kahn C, Dunford J, Donofrio J. An Urban Fire Department's Experience with Left Ventricular Assist Device Patients. 2017 American College of Emergency Physicians (ACEP) Scientific Assembly. Washington D.C. Oral Presentation. (Annals of Emerg Med. Vol 70, No. 4S: Oct 2017.) October 2017

**Goebel M**, Bledsoe J. A Novel Method for Prehospital Diagnosis of ST-segment elevated myocardial infarction. Social Media and Critical Care Conference. Chicago, IL. Oral Presentation. June 2015

### Regional

**Goebel M**, Goodrich M, Lutfy-Clayton C, Kellogg A, Osborne B, Westafer L. A coordinated social media strategy to aid the residency application and match process. Society for Academic Emergency Medicine New England Regional Meeting. Virtual Event. [Oral Presentation](#). April 2021

**Goebel M**, Bledsoe J. A Novel Method for Prehospital Diagnosis of ST-segment elevated myocardial infarction. University of Utah's 9<sup>th</sup> Annual Health Services Research Conference. Salt Lake City, UT. Poster Presentation. April 2014

**Goebel M**, Bledsoe J. Prehospital Diagnosis of ST-segment elevated myocardial infarction. Utah Valley University's 3rd Annual Emergency Services and Disaster Conference. Orem, UT. Oral Presentation. April 2014

### Local

**Goebel M**, Lolley RJ, Reed L, Ratcliff T, Jarvis, J. Intraosseous Access Location Does Not Change Rates of Return of Spontaneous Circulation in Pre-hospital Cardiac Arrest. 25th Annual Clinical and Translational Science Graduate Program Symposium. Boston, MA. Oral Presentation. June 2023

**Goebel M**, Lolley RJ, Reed L, Ratcliff T, Jarvis, J. Intraosseous Access Location Does Not Change Rates of Return of Spontaneous Circulation in Pre-hospital Cardiac Arrest. Baystate Health Research and Education Celebration. Springfield, MA. Poster Presentation. May 2023
